Call for Participation

We invite you to join us in **International Conference on Semantic Technology (SEMTEC 2023)**

This conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Semantic Technology. Authors are solicited to contribute to this Conference by submitting articles that illustrate research results, projects, surveying works and industrial experiences that describe significant advances in the Semantic Technology.

Highlights of SEMTEC 2023 include:

- International Conference on Computer Science and InformationTechnology Advances (CCSITA 2023)
- International Conference on Blockchain, Cybersecurity and Internet of Things (BCYIoT 2023)
- International Conference on Education & Integrating Technology (EDIT 2023)
- International Conference on AI, Data Mining and Data Science (AIDD 2023)
- International Conference on NLP, AI & Information Retrieval (NLAII 2023)
- International Conference on Vision Computing (VISCOM 2023)

Registration Participants

Non-Author / Co-Author / Simple Participants (no paper)

100 USD (With proceedings)
